

**SPONSORSHIP PROPOSAL
2022-2023**

HISTORY OF THE MARKET

Established in 2006, the Parkland Farmers' Market has continually grown and improved. Currently hosting over 100 vendors per market, a DJ, bounce house, crafts, and more, our market has gained attention for being one of the largest and frequented markets in the region. Each date draws over 3,000 shoppers from the tri-county area (Broward, Palm Beach, Miami-Dade, and beyond). Over eighty percent of attendees are from Broward County and the majority of those reside in Parkland and Coral Springs.

Located at the Equestrian Center at Temple Park, the market is held on an expansive field with scenic surrounding views. The market runs from November to April with two markets each month from 9:00 am to 1:00 pm for twelve markets each season. This includes specialty market days such as Arts and Crafts Fair, Community Awareness Day, Environmental Expo, Health and Wellness, and Pet Expo. Participants can stroll through and purchase items such as fresh produce, organically grown vegetables, pastries jams, raw honeys, guacamole dips, sauces, fresh pasta, cheeses, pickles, and piping hot made to order apple cider doughnuts.

By joining us as a sponsor at the City of Parkland Farmers' Market, you will have the opportunity to be front and center, focusing on your target market with high visibility and brand awareness. Reconnect with your local customers, meet new ones, and increase your exposure in the community.

For more information about sponsorships, please contact our Special Events Division at (954) 757-4107 or ParklandEvents@cityofparkland.org
