

# A Visit to The Parkland Amphitheater

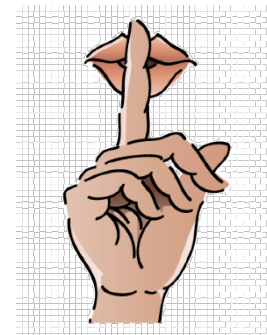

Today, we are visiting a recreation facility called the  
Parkland Amphitheater!  
At the Amphitheater, we will use:

Walking Feet

Listening Ears

Inside Voices

We will also:

Be polite to others

Follow directions

As we enter the Amphitheater there are very bright lights. If there is an activity or program held at the Amphitheater, be aware of the bright lights and wear sunglasses.

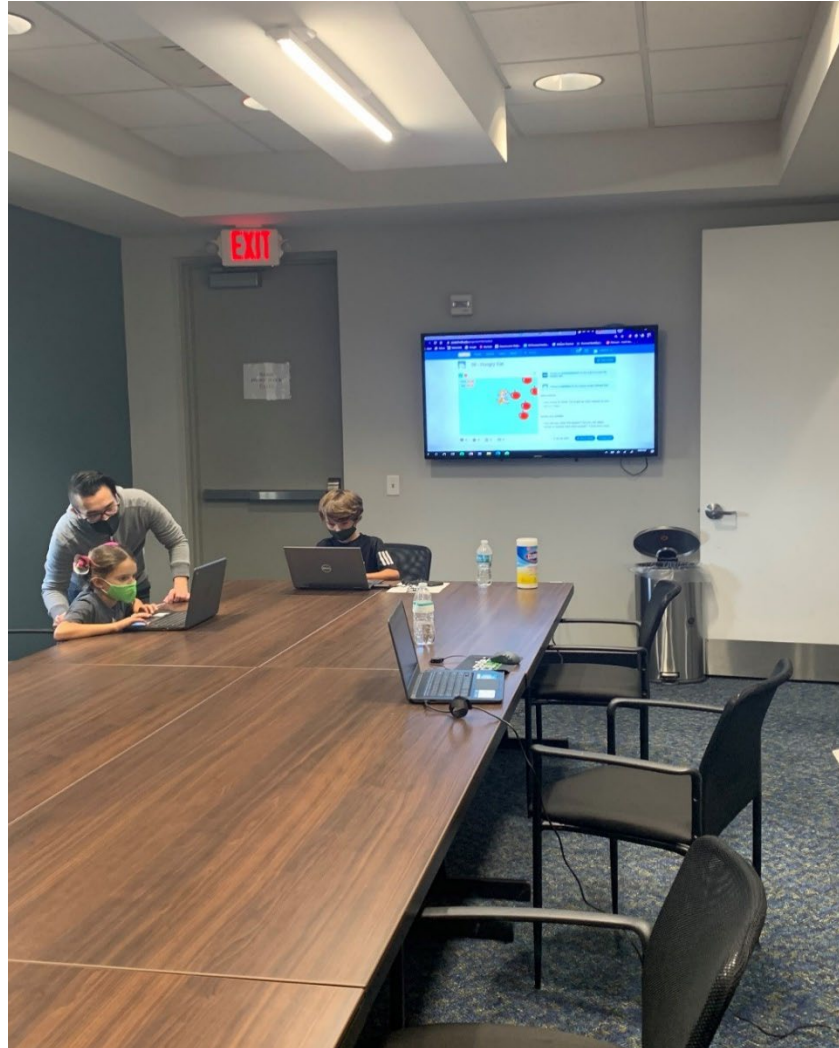

The multipurpose room is where a number of different programs can be held such as fitness, music and closed meetings. It is a big open room with a lot of space.

The conference room is where people participate in Coding, Art classes and Robotics. Sometimes other groups will hold meetings here as well.

The Amphitheater Stage is where families will attend special events like concerts, movies, ceremonies Etc. Sometimes outdoor programs and activities like fitness, and music are held on the stage as well.
