

THE SOUTH FLORIDA BRANCH OF THE
AMERICAN PUBLIC WORKS ASSOCIATION

Presents The
PROJECT OF THE YEAR AWARD
IN STRUCTURES

to the

**COMMUNITY CENTER
AND AMPHITHEATER**

**PUBLIC WORKS SERVICES DEPARTMENT
CITY OF PARKLAND, FLORIDA**

For the magnificent architectural, engineering and landscaping design that benefits the quality of life of our community providing a gymnasium, aerobic room, workout room, meeting room, day care center, kitchen facility offering both YMCA and Young at Art Programs.

In addition to the aesthetics of the "great Lawn" it will allow for thousands of people to relax and enjoy the City's monthly concerts series and a plethora of City sponsored events.

Presented this 7th day of November 2008 in Weston, Florida

MARIA FERNANDEZ-PORRATA, AWARDS CHAIRPERSON
